

SETTLE

A Somatic Journal for Settling Your Nervous System

172 undated pages

QUIET MIND PRESS

Settle

One settling page a day, eight practice cards, and a weekly pattern review. Somatic journaling is not about fixing feelings — it's about noticing states in the body and finding what returns you to yourself. Not a substitute for therapy or medical care.

How to use this journal

Daily settle

State before and after, where you feel it in the body, what helped.

Practice cards

Eight gentle regulation tools — breath, orientation, pressure, temperature.
