

GLP-1 TRACKING SERIES

Non-Scale Victories Gratitude Journal

Half-page gratitude, half-page NSV capture — energy, clothing, labs

One hundred twenty undated days · 6 × 9 in

Undated · Personal use · Not medical advice

A note before you begin

This journal is a personal tracking and management tool only. It is not medical advice, diagnosis, or treatment, and it is not a substitute for care from a licensed clinician. It is not affiliated with, endorsed by, or sponsored by any medication manufacturer or healthcare brand. Do not start, stop, or change a medication, meal plan, or activity based on this book. Record only what your own prescriber has directed. If you notice concerning symptoms, seek professional medical care promptly.

If you use a GLP-1 or similar medication (including semaglutide or tirzepatide programs), treat this book as a log of your own observations. Dosing, titration, missed doses, and side-effect decisions belong only to you and your prescriber.

How to use this journal

Two halves, one day

- Top: three true gratitudes, not a performance.
- Bottom: one non-scale victory. The rotating hint is optional; ignore it if the day already named itself.
- If nothing 'big' happened, write a small true thing. That is the practice.

Marks & scales

Use these marks consistently so patterns are easy to see later — and easy to share with your care team.

NSV	Non-scale victory — anything the scale is too crude to see
