A note before you begin

This journal is a personal tracking and management tool only. It is not medical advice, diagnosis, or treatment, and it is not a substitute for care from a licensed clinician. It is not affiliated with, endorsed by, or sponsored by any medication manufacturer or healthcare brand. Do not start, stop, or change a medication, meal plan, or activity based on this book. Record only what your own prescriber has directed. If you notice concerning symptoms, seek professional medical care promptly.

If you use a GLP-1 or similar medication as prescribed, treat this book as a log of your own observations. It does not set doses, grocery medical diets, or lab ranges. Those belong to you and your care team.

How to not make this another test

- One prompt a day. If it spikes you, skip it and write 'not today'.
- This is not exposure therapy. It is a record of how you spoke to a changing body.
- Weekly page: what you will wear / do that is not earned by a number.
