

The Scent of a Steady Year

Twelve months of gentle planning and sensory cues

Stillwork Studio

THE RITUAL LIBRARY

A note before you begin

Paperback edition contains visual sensory cues only—no fragrance, medical, or weight-loss claims.

This is a personal reflection product. Use only the pages that help. Finalize the named imprint, exact QR/audio route, and all release gates before publication.

Begin in any month.

This is an undated calendar. Its seasonal cues are invitations—not scent, diet, or medical protocols. Make the year start when you do.
