A note before you begin

This journal is a personal tracking and management tool only. It is not medical advice, diagnosis, or treatment, and it is not a substitute for care from a licensed clinician. It is not affiliated with, endorsed by, or sponsored by any medication manufacturer or healthcare brand. Do not start, stop, or change a medication, meal plan, or activity based on this book. Record only what your own prescriber has directed. If you notice concerning symptoms, seek professional medical care promptly.

This journal is a personal tracking tool. It is not therapy, diagnosis, or treatment. Seek urgent care for chest pain, fainting, thoughts of harm, or a sudden change you cannot explain. If you are thinking of joining the dead, call emergency services or a crisis line. This book cannot keep you safe alone.

How to use this journal

No arc required

- One prompt a day. Skip any that are too sharp. Write 'not today'.
- This is not a religious text and not a five-stages worksheet.
- Weekly page is optional. Grief does not owe the calendar.
