

Color & Check In

Creative pauses and a place to notice what shifts

[Author / Imprint]

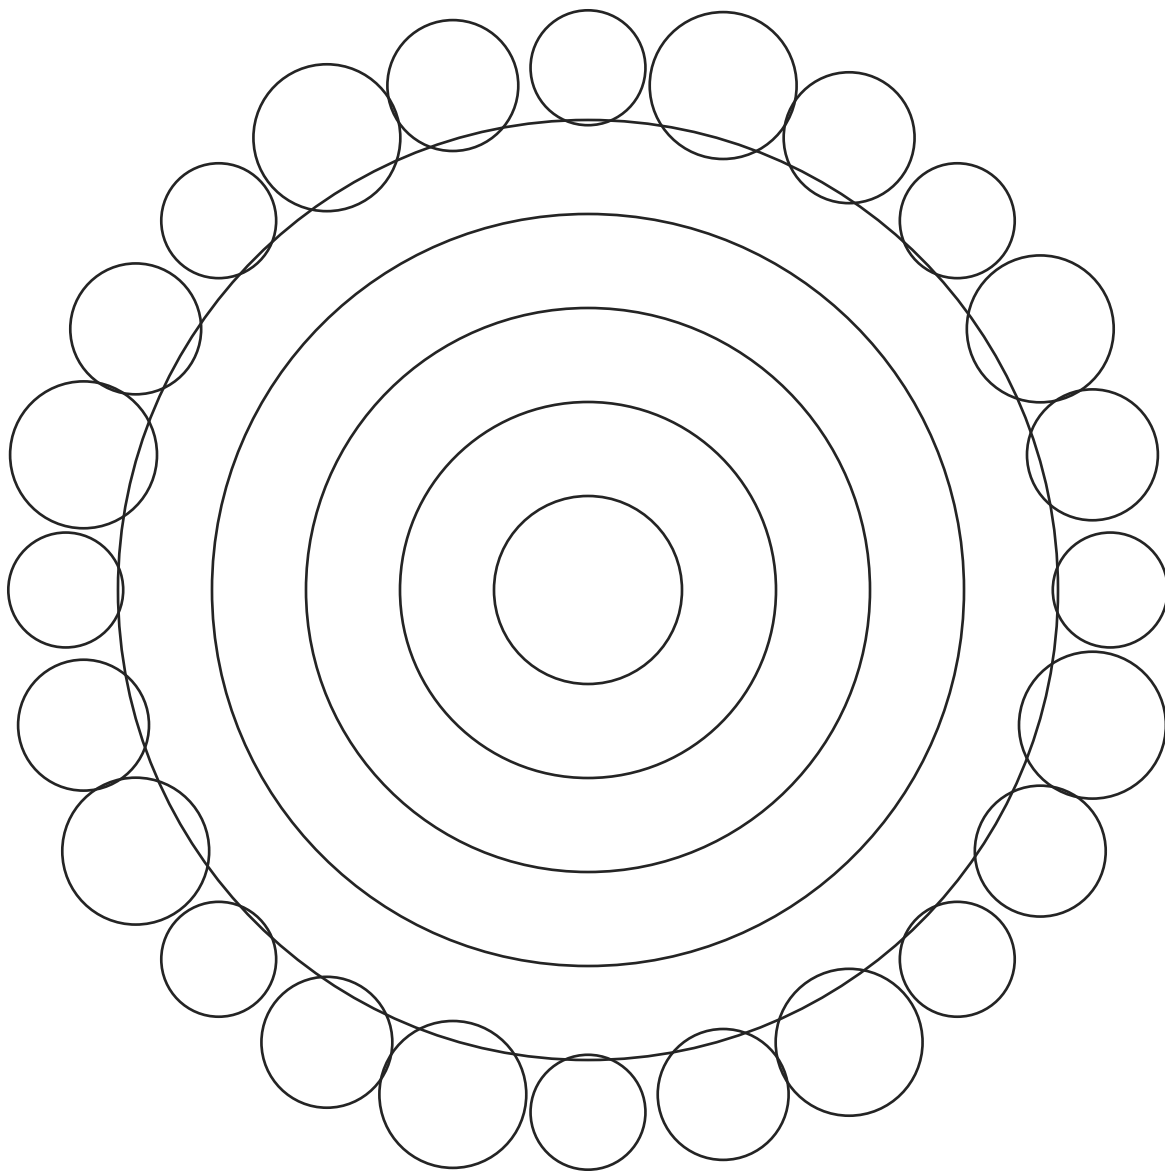

A note before you begin

Use “creative stress-relief practice,” not art therapy or treatment claims.

This is a personal reflection product. Use only the pages that help. Replace bracketed author/imprint and domain placeholders before release.

Color one small corner of the day.

These pages are not a test of artistic skill. Choose a color, make a mark, notice what changes—or simply enjoy the pattern.
