

The Client Work Ledger

A project record for independent work from first note to final handoff

LOCAL PRODUCT PROTOTYPE

Arden Vellor

NOT FOR SALE, UPLOAD, OR MANUFACTURE

Before this becomes anything public

This is an owner-directed local prototype for a distinct product concept. It is not a public listing, an upload file, a price decision, a manufacturing order, or proof of rights/name/platform clearance.

PRODUCT-SPECIFIC BOUNDARY

No tax legal contract pricing or business-results advice

REQUIRED BEFORE ANY RELEASE

Human title/rights review; original-asset provenance; product-specific claims and accessibility review; current printer/platform requirements; final proof; and named-human approval.

Keep the project legible

This 8x10 project ledger is organized around repeated client-project record pages. Use one cycle at a time, skip freely, and make the book yours.

1 **Begin**

Choose one page or one part of the product experience.

2 **Work the page**

Record what is useful in your own words, sketches, photographs, or materials.

3 **Return**

Leave a small note that makes the next return easier.

Start where the product meets your life
