

Grief Journaling Prompts

Gentle prompts to help you feel, remember, and heal

There is no right way to grieve. Write what you can, skip what you can't.

FEEL IT

1. Right now, I feel...

2. The hardest part of today was...

3. Something I'm carrying that I can set down...

REMEMBER

4. A memory that makes me smile...

5. Something they taught me...

6. What I wish I could tell them today...

HEAL

7. One kind thing I can do for myself today...

8. What I need from others right now...
