

Under the Covers

A cozy, specific bedside reflection practice

Arden Vellor

THE RITUAL LIBRARY

A note before you begin

Do not recommend blanket weights or claim treatment for anxiety/insomnia. Include a final weighted-blanket safety note.

This is a personal reflection product. Use only the pages that help. Finalize the named imprint, exact QR/audio route, and all release gates before publication.

Make the bed a landing place.

This diary records your own comfort observations. It does not recommend blanket weight, use, or treatment; follow product and professional guidance.
