

GLP-1 COMPANION SERIES

Five-Minute Morning Pages

*One hundred twenty compact days: shot, protein intention, one sentence,
one body note*

For people who will not fill a two-page spread every morning · 6 × 9 in

Undated · Personal use · Not medical advice

A note before you begin

This journal is a personal tracking and management tool only. It is not medical advice, diagnosis, or treatment, and it is not a substitute for care from a licensed clinician. It is not affiliated with, endorsed by, or sponsored by any medication manufacturer or healthcare brand. Do not start, stop, or change a medication, meal plan, or activity based on this book. Record only what your own prescriber has directed. If you notice concerning symptoms, seek professional medical care promptly.

If you use a GLP-1 or similar medication as prescribed, treat this book as a log of your own observations. It does not set doses, grocery medical diets, or lab ranges. Those belong to you and your care team.

Edition

First undated edition, 2026. Printed for personal use. This is a tracking journal, not a clinical record.

This journal belongs to

Name

Year I started this volume

Care team / clinic (optional)

Emergency contact

If found, please return to

Intention for this volume

How to use this journal

Five minutes, then leave

- If you only keep one GLP-1 journal, let it be a thin honest one.
- Shot / not-shot, protein intention, body one-liner, one gratitude. Stop.

Marks & scales

Use these marks consistently so patterns are easy to see later — and easy to share with your care team.

S	Shot day
—	Not shot day
