Architectural Visions

Digital Edition - Print at Home

This PDF is the complete interior of the book, licensed for personal use at \$6.99. You may print it at home or at a print shop for your own use, as many times as you like, for one household. You may not resell it, share the file, or use it commercially. The printed paperback edition is a separate product and the best way to use this book.

Printing tips: print at 100% (actual size). US Letter or A4 both work. Single-sided pages are easiest for coloring and journaling.
