

QUIET MIND PRESS

The 5-Minute Dump

Digital Edition - Print at Home

This PDF is the complete interior of the book, licensed for personal use at \$4.99. You may print it at home or at a print shop for your own use, as many times as you like, for one household. You may not resell it, share the file, or use it commercially. The printed paperback edition is a separate product and the best way to use this book.

Printing tips: print at 100% (actual size). US Letter or A4 both work. Single-sided pages are easiest for coloring and journaling.

Thank you for supporting independent publishing.

THE 5-MINUTE DUMP

Micro-journaling for people who hate journaling

200 undated pages

QUIET MIND PRESS

The 5-Minute Dump

Each page takes five minutes or less. No long prompts. No pressure. Just brain dumps, body checks, and tiny wins. For ADHD, anxiety, depression, or anyone who wants to journal but can't commit to paragraphs.

How to use this book

- Open to any page. They're not in order.
- Set a timer for 5 minutes. Stop when it rings.
- Circle, scribble, write one word, or fill the whole page.
- Some pages repeat. That's on purpose. Your answer changes.
- There's no wrong way to dump.
