A note before you begin

This journal is a personal tracking and management tool only. It is not medical advice, diagnosis, or treatment, and it is not a substitute for care from a licensed clinician. How this journal works

Heat map

- Shade every zone you felt today: 0 none, 1 mild, 2 steady, 3 loud. The body outline is on every page.

Flare constellation

- Each month the dots line up. The constellation is the thing you can actually show a clinician — sharper than words.

Trigger ledger

- Log only what you tried. No conclusions; the pattern is the point.

Marks & scales

Use these marks consistently so patterns are easy to see later — and easy to share with your care team.

Where I am starting

One honest thing I already know:

One thing I want the record to show:

Where I want to be in 30 days:

One rule I am setting for myself:
