How this journal works

Pick a slice

- One room, one 20-minute slice: a drawer, a shelf, a corner. Small enough to actually start.

Triage each item

- Keep, photo-and-keep, give, drop. The photo option unlocks the hardest things — you can keep the memory without keeping the box.

Done-anything board

- Check one box per slice. The board is not a scoreboard; it is proof that a slice counts.

Marks & scales

Use these marks consistently so patterns are easy to see later — and easy to share with your care team.

Where I am starting

One honest thing I already know:

One thing I want the record to show:

Where I want to be in 30 days:

One rule I am setting for myself:
