How this journal works

Four spans

- Trigger, rupture, pause, repair — four spans, one bridge. The pause is the span most people skip.

Ten-minute rule

- Where you stopped, write the pause you will take next time. A pause is a plan, not a punishment.

Weather report

- One word for the relationship's week: sunny, cloudy, storm, clearing. Weather is honest without being a fight.

Marks & scales

Use these marks consistently so patterns are easy to see later — and easy to share with your care team.

Where I am starting

One honest thing I already know:

One thing I want the record to show:

Where I want to be in 30 days:

One rule I am setting for myself:
