How this journal works

One page, one ask

- Write the exact ask. One page per ask; the ledger is the discipline.

Cost meter

- Rate energy cost before you answer. Cost is a fact, not a weakness.

Lean-no box

- If you want to say no but feel yes, write the lean-no sentence anyway. The box practices honesty before the conversation.

Marks & scales

Use these marks consistently so patterns are easy to see later — and easy to share with your care team.

Where I am starting

One honest thing I already know:

One thing I want the record to show:

Where I want to be in 30 days:

One rule I am setting for myself:
