How this journal works

Name the version

- Write where you are on the ladder. Version, not verdict.

Sunk-cost note

- One line on what you've spent and whether it still helps. The note is honesty, not an excuse.

Ship-it gate

- When v3 is good enough, sign the gate. A finished v3 beats a perfect v5 that never ships.

Marks & scales

Use these marks consistently so patterns are easy to see later — and easy to share with your care team.

v1	rough
v3	good
v5	never

Where I am starting

One honest thing I already know:

One thing I want the record to show:

Where I want to be in 30 days:

One rule I am setting for myself:
