How this journal works

Pre-decide

- Five slots before 9 a.m. Pre-decisions are decisions made while the tank is full.

Veto cards

- Write three things you will not decide today. A veto is a boundary, not a no.

Decision meter

- Count spent decisions. The meter is the diet's budget — spend it on what matters.

Marks & scales

Use these marks consistently so patterns are easy to see later — and easy to share with your care team.

Where I am starting

One honest thing I already know:

One thing I want the record to show:

Where I want to be in 30 days:

One rule I am setting for myself:
