How this journal works

As directed

- Record exactly what your prescriber directed. No adjustments, no advice.

Appointment brief

- One page per appointment: what worked, what didn't, what to ask.

Refill gate

- A check-line on the last week. The gate is before the gap, not after.

Marks & scales

Use these marks consistently so patterns are easy to see later — and easy to share with your care team.

One honest thing I already know:

One thing I want the record to show:

Where I want to be in 30 days:

One rule I am setting for myself:
