How this journal works

Ladder

- Record pre and post weights as the team gives them. The ladder is the record.

Feel ring

- One ring for how the day felt — before, during, after. No grading, just shape.

Transport check

- Who picked you up, what you brought, what to ask. The routine stays routine.

Marks & scales

Use these marks consistently so patterns are easy to see later — and easy to share with your care team.

Where I am starting

One honest thing I already know:

One thing I want the record to show:

Where I want to be in 30 days:

One rule I am setting for myself:
