How this journal works

Heat map

- Shade each tender area 0-3. The map is the body's weather report.

Weather tick

- What did the sky do? The tick is context, not cause.

Storm shape

- One line per week: did the week feel like a storm, drizzle, or clear? Shape, not score.

Marks & scales

Use these marks consistently so patterns are easy to see later — and easy to share with your care team.

0	calm
1	tender
2	aching
3	loud

Where I am starting

One honest thing I already know:

One thing I want the record to show:

Where I want to be in 30 days:

One rule I am setting for myself:
