How this journal works

Three clocks

- Eyes, mouth, skin — tick dryness at three times of day. The clocks separate the dryness you can fix from the dryness you can't.

Fatigue wave

- One fatigue line per day. Dryness and fatigue move on different waves.

Lab grid

- Enter results as given. The grid holds facts; the page interprets nothing.

Marks & scales

Use these marks consistently so patterns are easy to see later — and easy to share with your care team.

E	eyes
M	mouth
S	skin
F	fatigue

Where I am starting

One honest thing I already know:

One thing I want the record to show:

Where I want to be in 30 days:

One rule I am setting for myself:
