How this journal works

Itch wave

- One itch number per day on the wave. Itch moves in waves, not moods.

Patch map

- Shade where the patches were. Maps beat 'everywhere'.

Care log

- Record what you applied exactly as directed. The log holds the facts.

Marks & scales

Use these marks consistently so patterns are easy to see later — and easy to share with your care team.

Where I am starting

One honest thing I already know:

One thing I want the record to show:

Where I want to be in 30 days:

One rule I am setting for myself:
