

ADHD Task Paralysis Planner

Range Band Press makes undated tracking journals for the middle of the work: the week after the start, the month you keep. Fill in what your own clinician already directed. This book does not diagnose, dose, or treat.

Live inside the range.

INSIDE

- Inertia meter before planning
- Smallest-step box — smaller than allowed
- Five-minute ramp, then decide
- 'Done' box is for showing up, not finishing
