How this journal works

Body signs

- Write what the body did: heart, breath, hands. Body signs are the true timeline.

One slow action

- Choose one: name five things, slow breath, cold water. One action, not a ritual.

After-line

- One line after it passed. The after-line is kindness; the log is data.

Marks & scales

Use these marks consistently so patterns are easy to see later — and easy to share with your care team.

Where I am starting

One honest thing I already know:

One thing I want the record to show:
