

Breathwork Integration

Preparation, integration, and a place to make meaning

Stillwork Studio

A note before you begin

Not a guide to intense breathwork and not a substitute for qualified facilitation or clinical care. Do not use restricted trademarked method names.

This is a personal reflection product. Use only the pages that help. Finalize the named imprint, exact QR/audio route, and all release gates before publication.

An experience may need a slower landing.

This book is not a guide to conducting intense breathwork. It is a private place to prepare, make notes, and integrate alongside qualified support where appropriate.
